

## **CM320 Series Studio Micro USB**

Ref. nr.: 173.550; 173.552; 173.554

### **INSTRUCTION MANUAL**

**V1.1**

Congratulations to the purchase of this Vonyx product. Please read this manual thoroughly prior to using the product in order to benefit fully from all features. Follow the instructions in order not to invalidate the warranty. Take all precautions to avoid fire and/or electrical shock. Keep the manual for future reference.

## UNPACKING INSTRUCTION

**CAUTION!** Immediately upon receiving the product, carefully unpack the carton, check the contents to ensure that all parts are present, and have been received in good condition. Notify the shipper immediately and retain packing material for inspection if any parts appear damaged from shipping or the package itself shows signs of mishandling. Save the package and all packing materials. In the event that the product must be returned to the factory, it is important that the product be returned in the original factory box and packing.

## MICROPHONE SETUP AND CONTROLS

Attach the microphone holder to the tripod by turning the mounting ring counter-clockwise. Repeat to mount the microphone in the microphone holder: turn the mounting ring of the microphone holder counter-clockwise to fasten the microphone securely.

Controls:

1. **ECHO CONTROL**  
Turn to adjust the echo function
2. **GAIN CONTROL**  
Turn to adjust the volume of microphone and headphones
3. **HEADPHONE INPUT JACK**  
3,5mm headphone jack for connecting headphones
4. **MUTE**  
Press to (un)mute the microphone
